MILITARY, -Second Lieutant W. H. Car-The matter has not ended, but will be thor- ter, of the Sixth Cavalry, has been relieved oughly prosecuted by Mr. Bowers, who has from duty in connection with the construction able to include in a little game of been ill used in this concocted scheme to rob tion of the military telegraph line, and "pedro."

From that chatty and charming book "My Danish Days," by G. W. Griffin, we copy a Hon. J. J Gosper, for the purpose of translation of Prof. Molbech's poem, Dussering (Twilight). Like Schiller's love-poem, "The Mysteries of Reminiscence," it is founded on the Platonic notion, that souls were united in a former state of existence. and that love is simply a longing for re-

And know'st thou wby thine image glasses
Itself within me evermore.

As in the sea a ship that passes,
Or in a breezeless lake the shore?

And know'st thou why thy voice is waking
Mysterious echoes in my breast,
Like village church-bells sweetly breaking
The quiet summer evening's rest?

Before our footsteps wandered hither

In earthly exile, drear and cold.
As angel babes we chayed together.
On Eden's mether by of solds.
When fruits of blass is

I dwelt long ages since

Where heaven's ending And to His praise to

It sweams up if on the levels The gleam of many a vanished

Then trembles on my lips the story
Of those fair worlds we knew before
Of Paradise in golden glory.
Eternity's far silver shore.
Methinks, if I could but discover Fit words for what I dimly know, nice more the loved one and the love Might find that Eden here below!

Methinks, could I with speech inspir The thoughts within my heart so rife,
Thine own would cat a kindred fire,
The long ago would spring to life;
To clasp me while I strove to mutter, Then would those arms be open flung— h! not one accent can I utter. For I have lost our childhood's tongue!

OUR DEVIL.

We don't like to brag on ourself, but we To the Afflicted.

Dr. L. J. Csapkar would most respectfully inform the public of the Parelic Coast that, at the carnest solicita the tinge of Gallican blood. Chapeau is a profuse of the Parelic Coast that, at the carnest solicita the tinge of Gallican blood. Chapeau is a good scout and a heartless Indian. He it was who are in need of medical aid, that since reliquished, and whom, in the last muss with the Chiricahuas, blew in papeose's head off, for the simple reason that it was too unshability of the parelic Coast the most renowned hespitals, and specing diligently (the most renowned hespitals, and specing diligently (the most renowned hespitals, and specing diligently (the most renowned hespitals, and sarvices, in beareiff him which he efferts on all in need of water, while castor the benefit him which he efferts oal lin need of water, while will sing Shoo-fly for you, and if this meets your approval, will sing what he calls dren in the future, if it best suits them to "weed," and can pulverize a plug of solid peau;" but after many interviews with him, Officers of the Army were placed on the think we have got the boss devil of the

There is decided worldly wisdom on the unless we advance his salary ten cents per and will give you an imitation of Clum's ern Pacific property from taxation for six we could curtail his diurnal toil and leave singing, for a cigarita.
